Inflict Pain

Psion Level III

[Evil]

Psion invades 1 target's mind, creating crippling pain that causes them to lose focus and targeting ability, decreasing attack and accuracy.

Casting Time: 2

Effect: Buff: Decrease Attack/Accuracy (-5)

Range: Short

AoE: 1 target

Duration: Encounter

Save: Acc vs. Res(T): negates

Method: 1: Rub Focus down arm, say "Isto vai doer..."
2: Flick Focus at target, say "...realmente."

Read Emotions

Psion Level I

[Knowledge]

The psion may discern whether the target is hostile/dangerous

Casting Time: 2

Effect: Information: Detect Danger

Range: Short

AoE: 1 target

Duration: Instant

Save: Acc+M vs. Res(M): negates

Method: 1: point Focus at target
2: say "Do you intend to aggress?"

See Future

Psion Level I

[Knowledge]

The Psion may predict whether a specific action will be beneficial, harmful, or neutral towards the Psion.

Casting Time: 2

Effect: Information: Know Specific (Is "action" helpful to Psion?)

Range: Self

AoE: Self

Duration: Instant

Save: Att vs. Res(M): Negates

Method: 1: Write the action in question down, while speaking it.
2: Touch coin with Focus, flip the coin.

Confusion

Psion Level III

[Chaos]

The psion causes the target to become momentarily confused and unable to select a target.

Casting Time: 2

Effect: Non Damage Attack: Target Negation

Range: Short

AoE: 1 target

Duration: Instant

Save: Acc vs. Res(M): negates

Method: 1. Cross hands w/ fingers pointing opposite directions
2. Wiggle Focus randomly, say "De que xeito foi?"

Calm the Mind

Psion Level II

[Peace]

The target becomes soothed, losing hostile intentions and the will to fight.

Casting Time: 2

Effect: Mental Effect: Cause Emotion (Serenity)

Range: Touch

AoE: 1 target

Duration: Concentration

Save: Att vs. Res(M): negates

Method: 1: Say, "It's OK. It'll be just fine."
2: Whisper "shh" and touch target with Focus.

Instill Fear

Psion Level II

[Evil]

This spell causes the victim to become apprehensive of the Psion. Apprehensiveness causes targets to avoid Psion when possible, though not to the extent of neglecting or shirking their duties. (Similar to the way most people respond to a bee flying near their head).

Casting Time: 2

Effect: Mental Effect: Cause Emotion (Apprehensiveness)

Range: Touch

AoE: 1 target

Duration: Concentration

Save: Att vs. Res(M): negates

Method: 1: Say, "You don't want to mess with me."
2: Make a scary face, touch target with Focus.

Daze

Psion Level II

[War]

The target suffers a penalty to their Mind, becoming mentally sluggish.

Casting Time: 2

Effect: Buff: Decrease Mind (-5)

Range: Short

AoE: 1 target

Duration: Encounter

Save: Acc vs. Res(M): negates

Method: 1: Indicate target with Focus
2: wave hands slowly, continuing to look at target

Mind Link

Psion Level II

[Order]

The psion may share her thoughts with another person

Casting Time: 3

Effect: Mental Effect: Telepathic Communication

Range: Medium

AoE: 1 target

Duration: Concentration

Save: Acc vs. Res(M): negates

Method: 1: Speak target's name
2: Place Focus on temples, speak target's name
3: Rub temples with Focus, speak target's name

Sensory Deception

Psion Level II

[Obfuscation] Illusionary

The psion fools 1 of the target's senses into perceiving something that's not there. This only exists in the target's mind; no one else experiences the illusion.

Casting Time: 2

Effect: Mental Effect: Sensory Perception (1 sense)

Range: Medium

AoE: 1 target

Duration: Concentration

Save: Acc+M vs. Res(M): negates

Method: 1: Indicate target with Focus.
2: Speak aloud the perception you want them to experience.

Strike the Life Force

Psion Level II

[Death]

The psion causes EP damage to 1 target.

Casting Time: 2

Effect: Damage: EP (2)

Range: Short

AoE: 1 target

Duration: Instant

Save: Acc vs. Res(M): negates

Method: 1: Say, "Que o teu espírito se morra."
2: Indicate target with Focus.

Charm Other

Psion Level IV

[Peace]

1 target accepts the Psion as friendly.

Casting Time: 2

Effect: Mental Effect: Cause Emotion (Acceptance)

Range: Short

AoE: 1 target

Duration: Concentration

Save: Acc+M vs. Res(M): negates

Method: 1: Point Focus at target and say "Hey you!"
2: Say "I'm with you"

Mass Deception

Psion Level III

[Obfuscation] Illusionary

The Psion fools 1 sense of all targets into perceiving something that's not there.

Casting Time: 2

Effect: Mental Effect: Sensory Perception (1 sense)

Range: Medium

AoE: Radius (3)

Duration: Concentration

Save: Acc+M vs. Res(M): negates

Method: 1: Indicate target area with Focus.
2: Speak aloud the perception you want them to experience.

Mental Stun

Psion Level III

[War]

Causes the target to be momentarily stunned.

Casting Time: 1

Effect: Non-Damage Attack: Stun

Range: Medium

AoE: 1 target

Duration: Instant

Save: Acc vs. Res(M): negates

Method: 1: Emit a brief shout, indicate target with Focus

Psychokinesis

Psion Level II

[Order]

The Psion may move 1 Tiny sized target up to 2 steps per count

Casting Time: 1

Effect: Movement: Simple+ (2, Tiny size)

Range: Medium

AoE: 1 target

Duration: Concentration

Save: Acc vs. Res(T): negates

Method: 1: Indicate target with Focus, say "Mine!"

Share Thoughts

Psion Level III

[Order]

The Psion may cause up to 3 targets to share thoughts.

Casting Time: 2

Effect: Mental Effect: Telepathic Communication

Range: Medium

AoE: 3 targets

Duration: Concentration

Save: Acc vs. Res(M): negates

Method: 1: Indicate targets with Focus, speak targets' names
2: Indicate targets with Focus, say "hear each other"

Psi Strike

Psion Level I

[War] Illusionary

The psion mentally assails the target, dealing illusionary damage (Note: illusionary damage that would kill a target instead renders him unconscious).

Casting Time: 2

Effect: Damage (2); Support: Bypass Armor

Range: Short

AoE: 1 target

Duration: Instant

Save: Acc vs. Res(M): negates

Method: 1: Place one hand on forehead
2: Point at target

Implant Suggestion

Psion Level IV

[Fate]

The Psion plants a command in the target that must be obeyed to the best of the target's ability.

Casting Time: 2

Effect: Mental Effect: Command

Range: Short

AoE: 1 target

Duration: Encounter

Save: Acc+M vs. Res(M): negates

Method: 1: Indicate target with Focus
2: Say the command.

Sense Thoughts

Psion Level III

[Knowledge]

The Psion may read the immediate thoughts of others (what they intend to do, for example)

Casting Time: 1

Effect: Mental Effect: Steal Thoughts

Range: Short

AoE: 1 target

Duration: Instant

Save: Acc+M vs. Res(M): negates

Method: 1: Say, "What are you thinking?" Indicate target with Focus.

Psychokinetic Deflector

Psion Level V

[Good]

The Psion creates a psychokinetic shield within Short range. This shield can be moved/wielded at range by the Psion to parry incoming attacks. The Psion may move the shield at a rate of 1 step/count.

Casting Time: 2

Effect: Create: Light Shield, Movement: Simple+ (1)

Range: Short

AoE: 1 Target

Duration: Concentration

Save: Acc vs. Res(M): Negates

Method: 1: Say, "Vou protexer aos meus aliados."
2: Indicate shield's conjure location with Focus.

Shield Mind

Psion Level III

[Order]

The Psion reinforces his mind against attack, negating all magical Mental Effects of fifth level or lower.

Casting Time: 2

Effect: Negate Limited: Mental Effects (Level 5)

Range: Self

AoE: Self

Duration: Concentration

Save: Acc vs. Res(M): negates

Method: 1: Touch head with Focus
2: Say, "Aumentar a minha forza de vontade."

Psi-Repulsion

Psion Level IV

[War]

The Psion releases a wave of psychokinetic force that pushes everything up to medium size in the AoE 3 steps away from the psion.

Casting Time: 1

Effect: Movement: Simple (3, up to Medium size)

Range: Self

AoE: Radius (3 steps)

Duration: Instant

Save: Acc+M vs. Res(T): 1 step move

Method: 1: fling Focus out to sides, twirl, say "Stay away!"

Injury Prone

Psion Level IV

[Luck]

This spell deals 10 extra damage to the target the next time the target receives damage from any source. This spell is discharged immediately after it triggers and causes its effect.

Casting Time: 2

Effect: Damage (10), Support: Bypass Armor

Range: Short

AoE: 1 target

Duration: Encounter; Initiation: when target receives damage, discharge: immediately after initiation and effect.

Save: Acc vs. Res(M): negates

Method: 1: Say, "This day does not end well for you."

2: Indicate target with Focus.

Multi Psi Slice

Psion Level V

[War]

The Psion lashes out with her mind, dealing 4 damage to up to 5 targets.

Casting Time: 2

Effect: Damage (4); Support: Bypass Armor

Range: Medium

AoE: 5 targets

Duration: Instant

Save: Acc vs. Res(M): 2 damage

Method: 1: Indicate target with Focus.
2: Slash Focus at targets, say "E hora de morrer."

Shared Senses

Psion Level V

[Order]

The psion and up to 7 other targets share lines of sight/hearing/smell/taste/touch.

Casting Time: 2

Effect: Mental Effect: Telepathic Communication, lim mi: only senses are shared

Range: Long

AoE: Psion + 7 targets

Duration: Concentration

Save: Acc vs. Res(M): negates

Method: 1: Indicate each target with Focus.

2: Say "All for one, and one for all."

3: Touch your eyes, ears, nose, mouth, and hands.
